Dear Neighbor,

After a long winter, Spring is finally breaking through, and it is time for the Genesis House Homeless Shelter Geranium Sale. Your support is appreciated beyond words. Like the Luminaria project in December, I am happy to organize and deliver orders for your convenience.

This is a wonderful way to make a much-needed contribution to Genesis House, and to help ensure the continuation of its mission. The best part is that you can enjoy the flowers all summer long. Please see the order sheet for details about the choices available with the price list. People agree that the quality of the geraniums is outstanding.

Thanks so much,
Carol Gallo
